

RACE FORMAT

***Exclusions – Novice Division**

Heat Races

All heat races will consist of 12 laps.

All Cars will be required to complete two heat races.

For Heat 1, car positions will be determined from a draw system then inverted for Heat 2.

All points will be tallied up from both heats.

Dashes

Dash A and ***Dash B*** will consist of 8 laps

Dash A will consist of highest points earner starting from position **1**, third highest points earner starting from position **2**, fifth highest points earner starting from position **3** and so on.

Finishing orders from this dash will determine starting positions for the inside row in the Feature Race.

Dash B will consist of second highest point earner starting from position **1**, fourth highest points earner starting from position **2**, sixth highest points earner starting from position **3** and so on.

Finishing orders from this dash will determine starting positions for the outside row in the Feature Race.

***There will be no points awarded for Dashes**

The top four cars from both dashes will be locked into the A Main and the remaining cars will battle it out in a B Main which we will take 2 cars to fill positions 9 and 10 in the A Main.

For starting positions for the Dashes please refer to the example graphs below.

RACE FORMAT

B MAIN

B Main will consist of 10 laps.
Top two cars will transfer to A Main.

A Main Feature

A Main for 120 cc Division will consist of 25 Laps.
A Main for 160 cc Division will consist of 30 Laps.

Top four place holders for both divisions are to go directly to the scales without getting out of cars for weigh in.

Novice Division

Novice Drivers will compete in 3 heat races which will consist of 10 laps each.
The Novice Feature will consist of 15 Laps.
